

DN 3146:

Rev: A

Released: 6/6/09

Title: RoHS Directive 2002/95/EC and Amendment 2005/618/EC

This document applies to SciLog Sensor and Sensor Monitors: P/N: 080-690, 080-590, 080-790, 080-595(X), 080-596(X), 080-596(X), 080-597PS(X), 080-599PS(X), 080-695(X), 080-696(X), 080-696(X), 080-697PS(X), 080-699PS(X), 080-795(X), 080-796(X), 080-796(X), 080-797PS(X), 080-799PS(X) also see DN: 3144

SciLog RoHS Declaration

*SciLog management has reviewed manufacturers' RoHS compliance documentation pertaining to subcomponents used in the SciLog products listed above. SciLog management confirms that the substances regulated by the **EU Directive 2002/95/EC** and amendment **2005/618/EC** "on the restriction of the use of certain hazardous substances in electrical and electronic equipment" are not intentionally used in the manufacture of SciLog products.*
