Monitor Recertification Service

SciLog Sensor Monitors: **SciPres** (Pressure)
SciCon (Conductivity)
SciTemp (Temperature)

SciLog Metrology recommends annual re-calibration of your monitors using NIST traceable test equipment. SciLog issues an official Certificate of Calibration that is valid for 12 months. Fill Out this Form & Fax it to SciLog at FAX: 608-824-0509.

1. **SciLog will recalibrate your monitor and _____** **$350**
   Price includes the cost of SciLog shipping your monitor back.
2. SciLog will send you a **loaner monitor for one week** if you request it. **$300**
   This price includes the cost of second day shipping & insurance to send the loaner to you.
3. Use the packing material from the loaner & send your monitor to:

   SciLog Inc.
   ATTN: RGA#_____
   8446 Excelsior Drive
   Madison, WI 53717
   United States of America

   Be sure to call SciLog for an RGA # and write this on the OUTSIDE of the box.
4. Once you receive you, use the packing material to repack the loaner and send it back to SciLog.
   Assuming no replacement parts are required,
   Total Cost, including Loaner and Shipping: **$650**

Please Check all of the following that are appropriate:
___ Yes, I need my monitor recalibrated
___ Yes, I need a loaner monitor sent to me.
